Items Borrowed

approximately \$2.8 million
in savings for our patrons

HIGHLIGHTS:

- We added Hoopla in 2021, which gave our patrons access to streaming video and more e-books and downloadable audio books.
- Over 25 e-magazines were added to our collection through use of a website/app called Flipster.
- We started circulating wifi hotspots and added a free wifi spot in Ft Loudon to help provide internet access to those who need it.
