Comments: Overall it was an amazing experience! During the museum tour portion, one of our tour guides was better suited to speak for "older" students (not young kids) because she spoke in a low voice and was not as informative as speaking with 6 year olds. All the rest of the tour guides were amazing & very informative/knew how to re-direct well/responded to students' questions/clear, loud, and cheerful/ helpful. We had a wonderful time. This was our 1st visit. Thank you so much for everything! We will recommend this to others. Thank you for your dedication.

Comments: We had a wonderful visit. The students loved the butter the most. They also enjoyed making the lemonade and washing the clothes. They talked about how different school was back then and a few said they would have like to live back then. They also enjoyed the telephone and ice box in the house.

Your staff was so friendly and knowledgeable. We appreciate all your work and dedication. Thank you for a wonderful day. We will see you next year. ☺️
