Education: Teacher Evaluations

- “Wonderful, Educational, Organized style opening and treated warmly and genuine. Complete New Understanding of where I live.” – Mr. Southworth (VSY Elementary)
- “The staff at FLHS were very caring and tried to accommodate all my special needs students including my student with a visual impairment.” – Ms. Santos (Wilton Manors Elem.)
“The Fort Lauderdale Historical Society plays a pivotal role in the education and cultural significance of our community’s history. The staff is not only supportive but very generous with their time and knowledge as well as their resources. If you haven't visited one of their events or exhibits, I would highly recommend it!” –Great Nonprofits

“The Fort Lauderdale Historical Society has an extensive photo archive, and the staff is supportive and willing to help you find the right photo. I was thankful for the entire team's assistance in finding a specific photo I needed for a magazine story.” –Great Nonprofits

“Not a planned visit but worth the stop. We ran into this place while getting lost driving around. We learned a lot about the history of Fort Lauderdale and I would have to say this is a hidden gem of Fort Lauderdale. The staff was excellent and shared lots of information with us.” - TripAdvisor
