A Message from Janice

Fall is my favorite time of year. It is a time of transition. The scents, the changing colors of the trees, back to school, Halloween, pumpkin pie and more. It is also the time to show our appreciation for all our donors and volunteers. In this newsletter, we have featured a few of our volunteers and donors. Two of our donors have set up charitable trusts with EDRC named as an annual beneficiary.

Your donations continue to make a difference. Our support groups provide a safe haven and are often the first step in recovery. Our Ask the Experts series gives family members the opportunity to learn from leaders in the field of eating disorder treatment & recovery.

We are so proud of all of our student volunteers and wish the new graduates all the best for their college experience. Ava is attending Stanford University, Nik is off to UC Santa Barbara, and Taylor is at the University of Miami.

LGTC has opened the first adolescent residential program in the South Bay. We’re fortunate to have such great resources for families as there is a huge need in our community.

We send our heartfelt condolences to the Driscoll family. Kristie Driscoll’s passing is a huge loss for our entire community. She was deeply involved in our community through her church, the Summit League, and the Junior League, to name a few. She was never too busy for a friend in need. EDRC is humbled by the tremendous response and generosity of her family and friends who donated in her memory. Kristie's daughter struggled with an eating disorder for many years so the cause is near and dear to her family. Friends can continue to donate here.

We hope you will include EDRC in your year-end giving. Each gift received by December 31, 2022 will be matched dollar-for-dollar by our stellar volunteers and donors Cam and Bruce Brugler. Consider a tribute gift as a meaningful way to honor someone dear to you.

I count all of you in my blessings every year and on behalf of all of us at EDRC, I wish you all a joyful, healthful, and peaceful holiday season.

Gratefully,

Janice Bremis

“Thank you so much for taking the time to talk with me. Your kindness, concern, understanding, and expertise means a lot to me. Please know that the work you are doing has such a positive impact on all of us who are struggling to either help our children or for those who are seeking help themselves. Featuring our Donors

EDRC was honored to learn that the Krishnamoorthy Family has set up a charitable foundation with EDRC being one of the beneficiaries each year.

The family set up the SLEDS Family Foundation in 2021 as a means of assisting and contributing to organizations that are working to make the world a better place. The Krishnamoorthy family hopes to do their part to support the larger community in our united fight to combat societal issues including mental health, equal rights, food insecurity, and more.

David Ramsey set up a charitable trust with EDRC being his first beneficiary. As one of EDRC’s founding volunteers, David continues to support us as a donor and IT volunteer.

“I’ve known Janice for more than 30 years and have always been impressed with the way she created EDRC to address a problem that has affected her and so many other people. Her drive and passion for the cause is inspirational and I’m proud to have contributed to the organization over the years.” – David Ramsey, IT Volunteer
