## INDEPENDENT AUDITOR'S REPORT

To The Board of Trustees  
Domestic Violence Crisis Center, Inc. and Affiliate:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Domestic Violence Crisis Center, Inc. and Affiliate, (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Domestic Violence Crisis Center, Inc. and Affiliate, as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

***Other Information***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and state financial assistance, as required by the State Single Audit Act, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 11, 2021, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Domestic Violence Crisis Center, Inc. and Affiliate's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

June 30, 2020 and 2019

**1. Nature of Operations and Basis of Accounting**

Domestic Violence Crisis Center, Inc. and Affiliate (the "Organization") is committed to breaking the cycle of domestic abuse through counseling, education, advocacy, safe housing and empowerment (CEASE). The Organization primarily serves the communities of Norwalk, Stamford, Darien, New Canaan, Wilton, Westport and Weston.

The Organization has a wholly owned affiliate (the "Affiliate") which owns a Shelter property which is used by the Organization at no charge. The Affiliate's net assets have been included in the accompanying consolidated financial statements. Interorganizational transactions and balances have been eliminated in consolidation.

The Organization and Affiliate are not-for-profit organizations incorporated under the Nonstock Corporation Act of the State of Connecticut, and are exempt from federal tax under Section (501)(c)(3) of the Internal Revenue Code. The Organization and Affiliate are also exempt from state income tax.

**2. Summary of Significant Accounting Policies**

a) Net asset classes

The net asset classes of the Organization and Affiliate consist of the following:

Net assets without donor restrictions: Net assets without donor restrictions consist of the net assets over which the governing boards have control to use in carrying out the operations of the Organization and Affiliate in accordance with their charters and by-laws and no donor imposed restrictions

The net investment in Land, Building, Improvements and Equipment consists of the Net book value of Land, Building, Improvements and Equipment acquired with net assets without donor restrictions

The Board of the Organization has designated certain net assets without donor restrictions for program development and capital expenditures.

Additionally, the Board of the Organization has designated all contributions received in memory of Joanne Lorange for the Joanne Lorange Memorial Fund to be used to fund programs of the Organization based upon recommendations of an Ad hoc subcommittee which includes a member of Joanne Lorange's family.

The Board of the Organization has determined that the ongoing operations of the Organization require net assets without donor restrictions available for operations balance equal to approximately three to four months of operating expenses and has set as a goal the retention of that amount.

Domestic Violence Crisis Center, Inc. and Affiliate

Notes to Consolidated Financial Statements (continued)

**2. Summary of Significant Accounting Policies (continued)**

Net assets with donor restrictions: Net assets with donor restrictions which have donor-imposed restrictions whose limits do not expire with the passage of time nor can be fulfilled or otherwise removed by actions of the Organization and Affiliate. Net assets with donor restrictions consist of an endowment fund, whereby the donor has stipulated that the principal amount be maintained intact in perpetuity and that only the income and net gains from investment thereof be expended for the purpose specified by the donor and funds to be used for security deposits.

b) Contributions or promises to give

Contributions or promises to give without donor-imposed restrictions are reflected as unrestricted support. Contributions or promises to give with donor-imposed restrictions are reflected as either restricted support in the accompanying consolidated financial statements. Contributions or promises to give with donor-imposed conditions are not recognized as contributions or promises to give in the accompanying consolidated financial statements until the period when the conditions are met.

Promises to give that are expected to be received within one year of the financial statement date are reflected at their net realizable value (the gross amount of the promises to give, net allowance for uncollectible amount). Promises to give that are expected to be collected more than one year after the financial statement date are reflected at the present value of their estimated future cash flows using a discount rate commensurate with the risks involved at the date the promise to give is received.

c) Revenue and expense recognition

Grants awarded to the Organization are reflected at the earlier of the date the funds are received or the time that the grant expenditures are incurred. The amounts of the grants that are received but unearned, are reflected as Deferred revenue in the accompanying consolidated statements of financial position and are subsequently reflected in the accompanying consolidated statements of activities during the period to which they apply as the grants are expended.

The Organization receives certain of its contributions, program and event fees in the form of cash. It was impractical for the Organization to exercise control over these contributions and fees prior to the initial entry of these receipts into the Organizations accounting records.

Notes to Consolidated Financial Statements (continued)

**2. Summary of Significant Accounting Policies (continued)**

d) Cash equivalents

The Organization considers all investments with a maturity of three months or less as cash equivalents.

e) Investments

The Organization has adopted accounting for Certain Investments Held by Not-for-Profit Organizations. Not-for-profit accounting requires investments in marketable securities with readily determinable fair values and all investments in debt securities to be reported at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

f) Receivables

Promises to give and other receivables are evaluated periodically for collectibility based upon Management's evaluation of past loss experience, known and inherent risks in its accounts plus other factors which could affect collectibility. In the opinion of Management, all accounts for which the collectibility is doubtful have been written off or an allowance provided and the remaining accounts are deemed to be collectible.

g) Land, building, improvements and equipment

Expenditures for land, building, improvements and equipment are reflected at cost. Contributed assets are reflected at their fair value at the date of the gift. Depreciation is provided over the estimated useful lives of the assets, five to twenty years on straight-line basis. It is the Organization's policy to capitalize furniture and equipment with a cost of \$500 or greater.

Certain furniture and equipment was acquired with grant funds. Although in some instances the grantors retain a reversionary right to such assets in the event they are not used for the respective programs for which they were funded. It is the policy of the Organization to capitalize such assets when it considers it probable that it will be permitted to retain the assets when the grant agreements terminate.

Notes to Consolidated Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

h) Contributed goods or services

Goods or services have been provided by various organizations and a number of unpaid volunteers have contributed their time. Contributions are recognized if the goods or services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed goods or services that do not meet the above criteria are not recognized.

During the years ended June 30, 2020 and 2019 the Organization reflected the following In-kind contributions and reflect related In-kind expenses:

	<u>2020</u>	<u>2019</u>
Specialized-Certified with additional departmental training (able to work with clients, Hotline, Court, SafeHouse, PeaceWorks, etc.)	\$ 69,543	58,498
Unspecialized-Certified (non client contact, filing, phones, fundraising)	198,658	372,740
Outside Services	7,567	-
Food & Other Client Related Supplies for Shelter Clients	89,567	43,335
Norwalk and Stamford Courthouse Facilities - Occupancy	<u>14,200</u>	<u>14,200</u>
Total	<u>\$ 379,535</u>	<u>488,773</u>

i) Compensated absences

Employees of the Organization are entitled to paid vacations based upon length of service. The Organization does not allow vacation time to be carried over to the subsequent year. No liability is reported for compensated absences.

j) Advertising

Advertising costs are expensed as incurred.

k) Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

l) Fair value measurements

Not-for-profit accounting established a single definition of fair value and a framework for measuring fair value. That is intended to result in increased consistency and comparability in fair value measurements. Not-for-profit accounting also expands disclosures about fair value measurements and applies whenever other authoritative literature requires (or permits) certain assets or liabilities to be measured at fair value, but does not expand the use of fair value. To increase consistency and comparability in fair value measurements and related disclosures, the fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1), a secondary priority to quoted prices for similar assets or liabilities in active or inactive markets and other observable inputs from or corroborated by observable market data (Level 2) and the lowest priority to unobservable inputs using assumptions that market participants would use (Level 3).

m) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

n) Subsequent events

Management has evaluated subsequent events through February 11, 2021, the date the Consolidated financial statements were available to be issued.

The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on the Organization's clients, employees and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Organization's financial condition or results of operations is uncertain.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Domestic Violence Crisis Center, Inc. and Affiliate:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States the financial statements of Domestic Violence Crisis Center, Inc. and Affiliate, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, and cash flows for the year ended, and the related notes to the financial statements, and have issued our report thereon dated February 11, 2021.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Domestic Violence Crisis Center, Inc. and Affiliate's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Domestic Violence Crisis Center, Inc. and Affiliate's internal control. Accordingly, we do not express an opinion on the effectiveness of Domestic Violence Crisis Center, Inc. and Affiliate's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Domestic Violence Crisis Center, Inc. and Affiliate's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of Domestic Violence Crisis Center, Inc. and Affiliate's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Domestic Violence Crisis Center, Inc. and Affiliate's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

***Opinion on Each Major Federal Program***

In our opinion, Domestic Violence Crisis Center, Inc. and Affiliate, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

## Report on Internal Control Over Compliance

Management of Domestic Violence Crisis Center, Inc. and Affiliate is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Domestic Violence Crisis Center, Inc. and Affiliate's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Domestic Violence Crisis Center, Inc. and Affiliate's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Sections 4-230 to 4-236). Those standards and the State Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about Domestic Violence Crisis Center, Inc. and Affiliate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state program. However, our audit does not provide a legal determination of Domestic Violence Crisis Center, Inc. and Affiliate's compliance.

***Opinion on Each Major State Program***

In our opinion, Domestic Violence Crisis Center, Inc. and Affiliate, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2020.

## **Report on Internal Control Over Compliance**

Management of Domestic Violence Crisis Center, Inc. and Affiliate is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Domestic Violence Crisis Center, Inc. and Affiliate's internal control over compliance with the types of requirements that could have a direct and material effect on each major state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Domestic Violence Crisis Center, Inc. and Affiliate's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State Single Audit Act. Accordingly, this report is not suitable for any other purpose.
