Dear Friends of Pathway Caring for Children,

This past year we honored Pathway Caring for Children’s 40th Anniversary at a well-attended community event with special guests Sean and Leigh Anne Tuohy who shared their inspirational story of fostering and adoption, made famous in the Oscar-winning movie **The Blind Side**. We were so proud to share former foster child Tabitha’s story that night too. The Timken Foundation funded the film and Tabitha and her Pathway Case Manager Tracy were there to share the rest of the story too.

Other Opportunities and challenges presented themselves to us in 2013-2014. A few highlights include:

- 10 staff celebrated a work anniversary of 20 or more years. Case Manager Ed Herman marked 30 years at Pathway Caring for Children.
- The number of newly licensed Pathway foster homes doubled from the year before thanks to a gift from the Hoover Foundation.
- Fifty Pathway youth and 25 staff and volunteers spent a week at our T.R.U.S.T. Camp. This was the 3rd year for our life-changing camp.

We thank you for your support as we continue to meet the growing and changing needs of abused, neglected, abandoned and troubled children who come to us for help in dealing with life’s challenges. We are strengthening the lives of children and families.

We invite you to join us at one of our monthly Quick Stop tours to learn about the work we do first-hand from our staff and clients. The one hour tours are conducted the third Wednesday of each month; one tour at noon and another at 5 p.m. Please join us to hear real stories of help and hope.
