

March 2, 2022

The Board of Directors  
Community Action Services and Food Bank  
Provo, Utah

We have audited the financial statements of Community Action Services and Food Bank as of and for the year ended June 30, 2021, and have issued our report thereon dated March 2, 2022. Professional standards require that we advise you of the following matters relating to our audit.

**Our Responsibility in Relation to the Financial Statement Audit under Generally Accepted Auditing Standards and *Government Auditing Standards* and our Compliance Audit under the Uniform Guidance**

As communicated in our letter dated November 8, 2021, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Community Action Services and Food Bank solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Our responsibility, as prescribed by professional standards as it relates to the audit of Community Action Services and Food Bank's major federal program compliance, is to express an opinion on the compliance for Community Action Services and Food Bank's major federal program based on our audit of the types of compliance requirements referred to above. An audit of major program compliance includes consideration of internal control over compliance with the types of compliance requirements referred to above as a basis for designing audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, as a part of our major program compliance audit, we considered internal control over compliance for these purposes and not to provide any assurance on the effectiveness of the Community Action Services and Food Bank's internal control over compliance.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

## **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

## **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

## **Qualitative Aspects of the Entity's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Community Action Services and Food Bank is included in Note 1 to the financial statements. As described in Note 1, the Organization adopted FASB Accounting Standard Update 2014-09, *Revenue from Contracts with Customers* (Topic 606) as amended with retrospective application to the prior periods presented. The application of the provisions did not have a material effect on the amounts presented or disclosed. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. No such significant accounting estimates were identified.

### *Financial Statement Disclosures*

The financial statement disclosures are neutral, consistent, and clear.

## **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

## **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. A summary of misstatements that we identified

as a result of our audit procedures that were brought to the attention of, and corrected by, management is included as Schedule A at the end of this letter.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management that are included in the management representation letter dated March 2, 2022.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with Community Action Services and Food Bank, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the entity, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Community Action Services and Food Bank's auditors.

### **Other Information in Documents Containing Audited Financial Statements**

Pursuant to professional standards, our responsibility as auditors for other information in documents containing Community Action Services and Food Bank's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. However, in accordance with such standards, we will review the information inputted into the data collection form and will consider whether such information, or the manner of its presentation, is materially consistent with the financial statements.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Board of Directors, and management of Community Action Services and Food Bank and is not intended to be, and should not be, used by anyone other than these specified parties.

Salt Lake City, Utah

## Independent Auditor's Report

The Board of Directors  
Community Action Services and Food Bank  
Provo, Utah

### Report on the Financial Statements

We have audited the accompanying financial statements of Community Action Services and Food Bank, which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Services and Food Bank as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**Other Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 *U.S. Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The schedule of expenditures of federal awards has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated March 2, 2022 on our consideration of Community Action Services and Food Bank's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action Services and Food Bank's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Services and Food Bank's internal control over financial reporting and compliance.

## **Note 1 - Summary of Significant Accounting Policies**

### **Organization**

Community Action Services and Food Bank (CASFB) is a nonprofit corporation organized under the laws of the State of Utah. The purposes of CASFB are to establish, operate, and coordinate community action programs in order to prevent and alleviate poverty and its causes, to cooperate with other organizations, and to secure and expend monies for these purposes. CASFB operates primarily in Utah County in the State of Utah.

CASFB's principal programs comprise the following:

Family Development – Provides a variety of direct services to help eligible households stabilize and work toward self-reliance.

Food Bank – Alleviates hunger by providing food, basic needs packages, counseling, budgeting and referrals to other community services.

Housing Counseling – Educates moderate and low-income families on how to purchase a home and helps to resolve mortgage problems.

Education & Advocacy – Educates the community about poverty and resources and connects people with resources in the community to engage community members as volunteers and in a variety of service opportunities.

Arrive Utah – Arrive Utah works to provide training to and expand Circles and Bridges Initiatives throughout the state.

Circles – Works to help families move out of generational poverty through training and matching with highly trained community volunteers from the middle class.

### **Cash and Cash Equivalents**

CASFB considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes or designated by the board for grant restrictions, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures or other long-term purposes of CASFB are excluded from this definition.

### **Restricted Cash**

The CASFB board has designated cash related to net assets with donor restrictions for Arrive Utah and Circles to be restricted cash.

**Receivables and Credit Policies**

Grants and contracts receivable consist primarily of noninterest-bearing amounts due from governmental agencies. Management determines the allowance for uncollectable grants and contracts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Amounts are written off when deemed uncollectible. At June 30, 2021 and 2020, management determined that no allowance was necessary.

**Inventory**

Inventory consists principally of donated food which is valued at a rate set by the board based on a nationally established price consistently applied, which was \$1.74 per pound for the year ended June 30, 2021 and \$1.67 per pound for the year ended June 30, 2020.

**Property and Equipment**

Property and equipment additions over \$5,000 are recorded at cost or, if donated, at fair value on the date of donation. Depreciation is computed using the straight-line method based on estimated useful lives of the assets ranging from 3 to 15 years or, in the case of leasehold improvements, over the corresponding term of the lease. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

CASFB reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2021 and 2020.

**Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor (or certain grantor) restrictions. Some donor imposed (or grantor) restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. CASFB reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**Revenue and Revenue Recognition**

Program income is recognized when performance obligations are satisfied. Program service fees and payments under cost-reimbursable grants and contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. There was no deferred income at June 30, 2021 and 2020.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. CASFB's federal and state contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Consequently, at June 30, 2021 and 2020, conditional contributions approximating \$3,600,000 and \$800,000, respectively, for which no amounts have been received in advance, have not been recognized in the accompanying financial statements.

**Donated Services and In-Kind Contributions**

Volunteers contribute significant amounts of time to CASFB's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods consist principally of food donated for distribution (Note 4) and is valued at a rate set by the board based on a nationally established price. Contributed services and goods also includes rent which is based on the market value of the rent per the rental agreement. For the years ended June 30, 2021 and 2020, contributed rent consists of \$164,780 for program services, \$15,614 for management and general and \$806 for fundraising.

**Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, benefits, occupancy, supplies, communications and depreciation, which are allocated on the basis of estimates of time and effort.

**Income Taxes**

CASFB is organized as a Utah nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3), and qualifies for the charitable contribution deduction, and has been determined not to be a private foundation. CASFB is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, CASFB is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purposes. CASFB has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

CASFB believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. CASFB would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

**Financial Instruments and Credit Risk**

CASFB manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, CASFB has not experienced losses in any of these accounts. Credit risk associated with grants and contracts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies and foundations supportive of CASFB's mission.

**Adoption of FASB Accounting Standards Update 2014-09**

As of July 1, 2020, CASFB has adopted the provisions of ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended with retrospective application to the prior periods presented. The application of the provisions did not have a material effect on the amounts presented or disclosed.

Community Action Services and Food Bank

Notes to Financial Statements

June 30, 2021 and 2020

**Note 2 - Liquidity and Availability**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following at June 30, 2021 and 2020:

	2021	2020
Cash and cash equivalents	\$ 1,777,177	\$ 1,363,772
Grants and contracts receivable	451,473	280,330
	\$ 2,228,650	\$ 1,644,102

**Note 3 - Grants and Contracts Receivable**

Grants and contracts receivable consist of the following at June 30, 2021 and 2020:

	2021	2020
Department of Workforce Services	\$ 212,819	\$ 139,893
TEFAP	51,010	21,389
Other	187,643	119,048
	\$ 451,473	\$ 280,330

**Note 4 - Food Inventory**

The following table presents food inventory activity for the year ended June 30, 2021:

	Pounds	Dollars
Beginning food inventory	546,620	\$ 912,855
Contributions of food inventory	3,972,577	6,912,284
Distributions of food inventory	(3,484,282)	(6,024,397)
Ending food inventory	1,034,915	\$ 1,800,742

# Community Action Services and Food Bank

Notes to Financial Statements

June 30, 2021 and 2020

The following table presents food inventory activity for the year ended June 30, 2020:

	Pounds	Dollars
Beginning food inventory	576,373	\$ 962,543
Contributions of food inventory	3,336,988	5,572,770
Distributions of food inventory	(3,366,741)	(5,622,458)
Ending food inventory	546,620	\$ 912,855

## Note 5 - Leases

CASFB leases office and warehouse space under an operating lease that expired in August 2020. During August 2020, the lease was renewed with a retroactive effective date of July 1, 2019, for an additional term of 60 months, which expires in June 2024. Future minimum lease payments are as follows:

Years Ending June 30,	
2022	96,000
2023	96,000
2024	96,000
	\$ 288,000

Lease expense for the years ended June 30, 2021 and 2020, totaled \$143,064 and \$131,547, respectively. The amounts listed above and reported as lease expense exclude rent credits, provided for in the lease agreement, totaling \$181,200 at June 30, 2021 and 2020. These rent credits are recorded as rent in-kind contributions on the statements of activities and as part of occupancy cost on the schedules of functional expenses.

CASFB subleases portions of the leased space to other agencies. The combined sublease income for the years ended June 30, 2021 and 2020, was \$10,710 and \$8,043, respectively.

Community Action Services and Food Bank

Notes to Financial Statements

June 30, 2021 and 2020

**Note 6 - Net Assets with Donor Restrictions**

Net assets with donor restrictions consist of the following at June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Subject to expenditure for specified purposes		
Community garden	\$ 5,695	\$ 5,695
Food Bank program	681,787	641,977
Motel vouchers	81,976	87,399
Utility assistance	59,224	56,820
Circles program	945,865	934,406
Housing education	51,968	10,266
Other	98,788	29,560
	<u>\$ 1,925,303</u>	<u>\$ 1,766,123</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the years ended June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Satisfaction of purpose restrictions		
Community garden	\$ -	\$ 6,929
Food Bank program	193,143	45,636
Motel vouchers	36,833	96,644
Utility assistance	15,235	7,630
Circles program	526,854	1,244,994
Housing education	9,798	81,571
Other	3,135	25,392
	<u>784,998</u>	<u>1,508,796</u>
	<u>\$ 784,998</u>	<u>\$ 1,508,796</u>

**Note 7 - Retirement Plan**

CASFB participates in a 403(b) retirement plan. The plan is managed by Mutual of America. Under this plan, CASFB contributes 5% of qualified employees' gross earnings to the plan. The employees are allowed to contribute up to 25% of compensation up to Internal Revenue Service contribution limits. Employees are eligible to participate after one year of full-time employment and are 100% vested in CASFB's contributions after the third year of employment. For the years ended June 30, 2021 and 2020, retirement expense was \$26,535 and \$31,888, respectively.

**Note 8 - Contingencies**

CASFB has continued to be impacted by the outbreak of the novel Coronavirus pandemic, or COVID-19, which has significantly increased risk and uncertainties in the global economy including the community in which CASFB operates. CASFB is closely monitoring the pandemic and its effects on the organization and the community on an ongoing basis. The ultimate financial effect of COVID-19 on CASFB is currently under evaluation.

**Note 9 - Subsequent events**

CASFB has evaluated subsequent events through March 2, 2022, the date the financial statements were available to be issued.

Subsequent to year end, the leadership team of the Arrive Utah program created a standalone entity and filed for exempt status with the IRS. In connection with the newly created entity, CASFB made an initial cash contribution of \$860,000 representing net assets with donor restrictions for use in the Arrive Utah program.

# Community Action Services and Food Bank

**Independent Auditor’s Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements Performed in  
Accordance with *Government Auditing Standards***

The Board of Directors  
Community Action Services and Food Bank  
Provo, Utah

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Community Action Services and Food Bank, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 2, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Community Action Services and Food Bank’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Services and Food Bank’s internal control. Accordingly, we do not express an opinion on the effectiveness of Community Action Services and Food Bank’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify a certain deficiency in internal control, described in the accompany schedule of findings and questioned costs as item 2021-001 that we consider to be a material weakness.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Community Action Services and Food Bank's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Community Action Services and Food Bank's Response to Finding**

Community Action Services and Food Bank's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Community Action Services and Food Bank's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The image shows a handwritten signature in cursive script that reads "Eide Bailly LLP".

Salt Lake City, Utah  
March 2, 2022

## **Independent Auditor’s Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance**

The Board of Directors and Management of  
Community Action Services and Food Bank  
Provo, Utah

### **Report on Compliance for Each Major Federal Program**

We have audited Community Action Services and Food Bank’s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization’s major federal programs for the year ended June 30, 2021. The Community Action Services and Food Bank’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

### **Management’s Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on compliance for Community Action Services and Food Bank’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Services and Food Bank’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization’s compliance.

### **Opinion on Each Major Federal Program**

In our opinion, Community Action Services and Food Bank complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

## **Report on Internal Control over Compliance**

Management of Community Action Services and Food Bank is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Note 1 - Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal award activity of Community Action Services and Food Bank (CASFB) under programs of the federal government for the year ended June 30, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of CASFB, it is not intended to and does not present the financial position, changes in net assets, or cash flows of CASFB.

**Note 2 - Significant Accounting Policies**

Expenditures reported in the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. No federal financial assistance has been provided to a subrecipient.

**Note 3 - Indirect Cost Rate**

CASFB has not elected to use the 10% de minimis cost rate.

**Note 4 - Food Donation**

Nonmonetary assistance is reported in the schedule at the fair market value of commodities received and disbursed. Federal awards in the form of commodities consist of food that is valued at a rate set by the board based on a nationally established price, which was \$1.74 per pound for the year ended June 30, 2021. This price is used by the Organization in valuing all of its food donations received. At June 30, 2021, CASFB had food commodities from federal sources totaling \$512,653 in inventory.

**Section I – Summary of Auditor’s Results**

**FINANCIAL STATEMENTS**

Type of auditor's report issued	Unmodified
Internal control over financial reporting	
Material weaknesses identified	Yes
Significant deficiencies identified not considered to be material weaknesses	None reported
Noncompliance material to financial statements noted?	No

**FEDERAL AWARDS**

Internal control over major program	
Material weaknesses identified	No
Significant deficiencies identified not considered to be material weaknesses	None reported
Type of auditor's report issued on compliance for major programs	Unmodified
Any audit findings disclosed that are required to be reported in accordance with Uniform Guidance 2 CFR 200.516:	No

**Identification of major programs:**

<u>Name of Federal Program</u>	<u>CFDA Number</u>
Community Services Block Grant	93.569
Coronavirus Relief Fund	21.019
Dollar threshold used to distinguish between type A and type B programs	\$ 750,000
Auditee qualified as low-risk auditee?	Yes

---

**Section II – Financial Statement Findings**

---

**2021-001      Material Audit Adjustments and Financial Statement Preparation  
Material Weakness**

*Criteria:*

The internal control system should ensure that the financial statements are prepared in accordance with the requirements of generally accepted accounting principles and ensure that account balances are materially correct at the end of the reporting period.

*Condition:*

During our engagement, we drafted the Organization’s financial statements and proposed material audit adjustments to the Organization’s recorded balances, which if not recorded would have resulted in misstatements of the Organization’s financial statements.

*Cause:*

The Organization’s procedures in place during the year ended June 30, 2021 did not provide for sufficient processes to ensure that cash, grants, in-kind revenue and expenses, liabilities and other balances are properly recorded at year end and that the financial statements are prepared in accordance with the requirements of generally accepted accounting principles.

*Effect:*

Various account balances were materially misstated in the Organization’s financial statements, which may affect management decisions throughout the year.

*Recommendation:*

The Organization should analyze its controls over reconciliations and the financial close process to ensure that the financial statements are prepared in accordance with the requirements of generally accepted accounting principles to ensure all transactions have been properly recorded at year end, including in-kind transactions.

*Views of Responsible Officials:*

Management agrees with the finding.

---

**Section III – Federal Award Findings and Questioned Costs**

---

**None Reported**
