INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the
National Council of Juvenile and Family Court Judges
and Affiliates

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of the National Council of Juvenile and Family Court Judges and Affiliates (collectively referred to as the Organization), which comprise the consolidated statement of financial position as of September 30, 2017, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of September 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited the Organization's 2016 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated March 13, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2016, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplemental consolidated schedule of functional expenses and the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 29, 2018, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

For the Year Ended September 30, 2017**

1. Organization and Summary of Significant Accounting Policies

Organization

The National Council of Juvenile and Family Court Judges (the Council) is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (the IRC), as a nonprofit charitable and educational organization. The Council is not a private foundation.

The charitable and educational purposes of the Council include: (a) improving the standards, practices and effectiveness of courts exercising jurisdiction over families and children; (b) informing or assisting those who deal with or affect these courts; (c) educating persons connected with these courts and other interested members of the public in developments and principles relating to such courts; and (d) engaging in educational and research activities in furtherance of the foregoing objectives.

The principal office of the Council is located in Reno, Nevada. The National Center for Juvenile Justice, the research division of the Council, is located in Pittsburgh, Pennsylvania.

The National Council of Juvenile and Family Court Judges Fund, Inc. (the Fund) is a tax-exempt organization under Section 501(c)(3) of the IRC that was organized to receive, manage and invest endowment funds and to apply the net income to support, benefit and assist the Council.

The National Juvenile Court Foundation, Inc. (the Foundation) is a tax-exempt organization under Section 501(c)(3) and 509(a)(3) of the IRC that is organized, and at all times exclusively operated, to support the Council and to raise funds and accept dues, gifts, contributions, bequests and endowments in the furtherance of the charitable purposes of the Council.

Principles of Consolidation

The consolidated financial statements include the accounts of the Council, the Fund and the Foundation (collectively referred to as the Organization). The Council, the Fund and the Foundation have been consolidated due to the presence of common control and economic interest. All significant intercompany balances and transactions have been eliminated in consolidation.

Basis of Accounting

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The consolidated financial statements are prepared using the accrual basis of accounting.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with initial maturities of three months or less. Cash and cash equivalents intended for investment purposes are included in investments in the accompanying consolidated statement of financial position. Cash overdrafts, whether caused by a timing difference or actual bank overdraft, are shown as a liability in the accompanying consolidated statements of financial position.

1. Organization and Summary of Significant Accounting Policies (continued)

Grants and Accounts Receivable

The Organization uses the allowance method to record potentially uncollectible accounts receivable.

Investments

Investments are recorded in the accompanying consolidated financial statements at their estimated fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Unrealized gains or losses are determined by a comparison of fair value at the beginning and end of the reporting period.

Fair Value Measurement

In accordance with the accounting standards for fair value measurement for those assets and liabilities that are measured at fair value on a recurring basis, the Organization has categorized its applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest-level input that is significant to the fair value measurement of the instrument.

Applicable financial assets and liabilities are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Organization has the ability to access.

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

As of September 30, 2017, only the Organization's investments and the cash surrender value of the life insurance policies, as described in Note 5 of these consolidated financial statements, were measured at fair value on a recurring basis.

1. Organization and Summary of Significant Accounting Policies (continued)

Property and Equipment and Related Depreciation and Amortization

Property and equipment exceeding \$5,000 are capitalized and carried at cost. Depreciation and amortization are recorded using the straight-line method in amounts sufficient to relate the cost of depreciable assets to operations over their estimated useful lives, with no salvage value. Furniture and equipment have estimated useful lives of three to ten years. Maintenance and repairs are expensed as incurred. Significant renewals and betterments are capitalized. At the time assets are retired, or otherwise disposed of, the property and related accumulated depreciation and amortization accounts are relieved of the applicable amounts and any gain or loss is credited or charged to income.

All property purchased with federal funds may, in accordance with grantor agreements, be returned to the federal government. However, as day-to-day control lies with the grantee, such assets have been included in property and equipment in the Organization's consolidated statement of financial position.

Net Assets

The Organization's net assets are classified as follows:

- Unrestricted net assets represent funds that are available for support of the Organization's operations.
- Temporarily restricted net assets represent amounts that are subject to donor-imposed restrictions to be used for a particular purpose or within a specific time period.
- Permanently restricted net assets represent amounts that include donor-imposed restrictions that stipulate that the resources be maintained in perpetuity and that only the investment earnings on such amounts be used in the manner specified by the donor.

Support and Revenue Recognition

Grants and contributions are considered available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted revenue and support. Conditional promises to give are not included as revenue and support until such time as the conditions are substantially met. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the accompanying consolidated statement of activities as net assets released from restrictions. However, if a restriction is fulfilled in the time period in which the contribution is received, the Organization reports the support as unrestricted. Revenue recognized on grants and contributions that has been committed to the Organization, but has not been received, is reflected as grants and accounts receivable in the accompanying consolidated statement of financial position.

The Organization has grants and contracts with U.S. federal government agencies and other entities in exchange for services. Revenue from these grants and contracts is recognized as costs are incurred on the basis of direct costs plus allowable indirect expenses. Revenue

recognized on grants and contracts for which payments have not been received is reflected as grants and accounts receivable in the accompanying consolidated statement of financial position. Funds received under grants and contracts, but not yet expended, are reflected as deferred revenue in the accompanying consolidated statement of financial position.

Registration fees and the related costs for conferences and meetings are recognized in the year in which the conferences or meetings are held. Accordingly, registration and exhibit fees received in advance of the conferences or meetings are recorded as deferred revenue, and expenses paid in advance of the conferences or meetings are recorded as prepaid expenses in the accompanying consolidated statement of financial position.

Dues and subscriptions are recognized as revenue in the period to which the dues or subscriptions relate. Accordingly, dues or subscriptions paid by members in advance of the membership period are reported as deferred revenue in the accompanying consolidated statement of financial position.

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the accompanying consolidated statement of activities. Accordingly, costs have been allocated based upon the functions they directly benefit or upon management's estimates of the proportion of these costs applicable to each function.

Estimates

The preparation of consolidated financial statements in conformity with GAAP requires the use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Grants and Accounts Receivable

Grants and accounts receivable consisted of the following as of September 30, 2017:

Federal grants receivable	\$ 1,196,099
Other receivables, including stop-loss receivable	100,355
Other grants receivable	54,448

3. Note Receivable

During the year ended September 30, 2016, the Organization and the Organization's former landlord agreed that the Organization would vacate its former office space. As part of this arrangement the Organization received a note of \$3,100,000 which is being paid to the Organization in annual payments of \$400,000 through January 2022. The interest on the note was imputed using a 3.5% annual interest rate which represented the borrowing rate on the Organization's line of credit at the time the note was signed. During the year ended September 30, 2017, the Organization recognized \$75,667 in imputed interest income, which is included in other revenue and gains in the accompanying consolidated statement of activities.

Future minimum note receivable payments are due to the Organization as follows:

For the Year Ending September 30,		
2018	\$	400,000

The Organization used the following methods and significant assumptions to estimate fair value for assets recorded at fair value:

Government obligations and agency issues, mutual funds, exchange-traded funds, common stocks and cash and cash equivalents – Valued at the closing price reported in the active market in which the individual securities are traded.

Corporate bonds and mortgage-backed securities – Valued based on current yields, the securities' terms and conditions, and market activity. Information used includes market sources, credit information, observed market movement and sector news.

Cash surrender value of life insurance policies – Cash surrender value of the life insurance policies is determined on the basis of the reserve value, which is the face amount of the contracts discounted at a specific rate of interest, according to the insured's life expectancy.

Depreciation and amortization expense totaled \$39,575 for the year ended September 30, 2017.

7. Line of Credit

The Organization has an unsecured \$400,000 line of credit from a financial institution. The line of credit bears interest at the bank's prime rate (4.5% as of September 30, 2017). Borrowings under the line of credit are due upon demand, and the line is subject to automatic annual renewal. As of September 30, 2017, there was \$200,000 outstanding on this line of credit. Interest expense incurred under the line of credit was \$7,965 for the year ended September 30, 2017.

8. Commitments

Leases

The Organization leases operating facilities under several leases, the last of which expires in February 2027. Certain of these leases include annual escalation clauses, as well as cancellation options, that allow the Organization to terminate the lease upon losing its federal funding associated with the leased office space. As a result of these cancellation options, the Organization does not recognize rent increases on a straight-line basis over the term of the lease. In addition to annual rentals, several of the leases require the Organization to pay a pro-rata portion of the building operating expenses. The Organization also leases printing and copying equipment under noncancelable leases, which are considered operating leases. Certain leases continue on a month-to-month basis after 2017, which the Organization expects to pay.

In December 2015, the Organization entered into a ten-year lease agreement for its office space in Reno, Nevada which began in March 2016. Monthly rent began at \$26,458, plus a prorated share of basic operating costs. Beginning with the sixth year of the lease, the Organization has the ongoing right to terminate the lease with 30 days' notice. The lease also contains an escalation clause for increases in annual rent.

Total	\$	3,581,497

Total rent expense for these operating leases was \$527,804 for the year ended September 30, 2017.

9. Temporarily Restricted Net Assets

Temporarily restricted net assets were restricted for the following purposes as of September 30, 2017:

Research and Endowment – includes endowment fund earnings	\$ 1,935,117
John Shaw Field Foundation fund	77,132
Other – includes National Juvenile Court Foundation	182,800
Total Temporarily Restricted Net Assets	\$ 2,195,049

10. Endowment

The Organization's endowment consists of donor-restricted endowment funds. As required by GAAP, net assets associated with an endowment fund are classified based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Organization's Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment; (b) the original value of

subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The Fund's duration and preservation.
- The purposes of the Organization and the donor-restricted endowment fund.
- General economic conditions.
- The possible effect of inflation and deflation.
- The expected total return from income and the appreciation of investments.
- Other resources of the Organization.
- The investment policy of the Organization.

Return Objectives and Risk Parameters

The Organization has adopted an investment policy for endowment assets that attempts to provide a predictable stream of funding to projects supported by its endowment, while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for donor-specified periods. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of a benchmark portfolio that consists of 55% of the S&P 500 Index and 45% of the Lehman Intermediate Government Credit Index, while assuming a moderate level of investment risk.

As permitted by UPMIFA, the Organization has delegated management and investment of the endowment funds to an external investment manager that must comply with the Organization's investment policy and report investment performance to the Board of Directors.

Strategies Employed for Achieving Objectives and Spending Policy

To satisfy its long-term rate of return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. The Organization strives to be socially and fiscally responsible by committing to the fundamental principles of social responsibility and integrity by which companies that endorse the "Global Sullivan Principles" operate.

10. Endowment (continued)

Strategies Employed for Achieving Objectives and Spending Policy (continued)

The Organization has a policy for distributing up to 5% each year (depending on the project) of the endowment fund's average fair value over the prior 12 months through the calendar year-end preceding the fiscal year in which the distribution is planned. In formulating this policy, the Organization is considering the long-term expected return on its endowment. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets, as well as to provide additional real growth through new gifts and investment return.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund for perpetual duration. There were no such deficiencies as of September 30, 2017.

Endowment net asset composition by fund type was as follows as of September 30, 2017:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>

11. Self-Insured Health Plan

The Organization is self-insured for medical, dental and vision coverage.

Under the terms of the health plan, the Organization maintains stop-loss coverage with an insurance company to cover costs in excess of \$60,000 per individual (\$70,000 per individual effective October 1, 2018).

The Organization currently pays 100% of the premiums for its employees and their dependents. Former employees are eligible to continue participation in the plan in accordance with current federal legislation.

For the year ended September 30, 2017, total costs incurred were \$1,650,731. Of these claims, the Organization ultimately paid \$1,153,361. The remaining \$497,370 exceeded the previously described stop-loss coverage and was paid by the insurance company. Claims incurred, but not paid or reported, were estimated to be \$121,811 as of September 30, 2017, and are recorded as health insurance claims in the accompanying consolidated statement of financial position.

12. Retirement Plan

The Organization sponsors a tax-sheltered annuity plan (the Plan) in accordance with Section 403(b) of the IRC, which permits employees to make tax-deferred investments through payroll deductions. For each plan participant who has completed one year of continuous full-time

service, the Organization contributes to the Plan a percentage of each participant's salary. The maximum contribution level is currently 7%; however, the Organization plans to reduce this match to 4% effective July 1, 2018. Under the terms of the Plan, all contributions are immediately 100% vested with the employee. The Organization contributed \$345,475 to the Plan for the year ended September 30, 2017.

13. Concentrations and Contingencies

Hotel Contracts

The Organization has entered into agreements with several hotels to provide conference facilities and room accommodations for its conferences and meetings through July 2018. The agreements contain clauses whereby the Organization is liable for liquidated damages in the event of cancellation or lower-than-anticipated attendance. As of September 30, 2017, the maximum possible amount of liquidated damages was approximately \$897,000.

Concentration of Revenue and Support

The Organization receives a substantial portion of its revenue and support (approximately 82%) from federal grantors (both direct and pass-through awards) as follows:

Department of Justice	\$ 9,452,681
Department of Health and Human Services	<u>1,405,143</u>
Total	<u>\$10,857,824</u>

Office of Management and Budget Uniform Guidance

The Organization has instructed its independent auditors to audit its applicable federal programs for the year ended September 30, 2017, in compliance with Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance), issued by the U.S. Office of Management and Budget (OMB). Until the audit is reviewed and accepted by the contracting or granting agencies, there exists a contingent liability to refund any amounts received in excess of allowable costs. Management believes that any matters arising from the reviews by the federal or pass-through agencies of the independent auditor's reports for the year ended September 30, 2017, will not have a material effect on the Organization's financial position as of September 30, 2017, or its results of operations for the year then ended.

Provisional Indirect Cost Rates

Billings under cost-reimbursable government contracts and grants are calculated using provisional rates that permit recovery of indirect costs. These rates are subject to audit by the Department of Justice (DOJ), the Organization's cognizant agency. The audit results in the negotiation and determination of the final indirect cost rates, which may create a liability for indirect cost recovery for amounts billed in excess of the actual rates, or may allow for additional billings for unbilled indirect costs. The DOJ audits costs related to U.S. government contracts and grants in accordance with OMB Circular A-122 and/or the Uniform Guidance. The DOJ has yet to audit the costs and indirect cost rates for the year ended September

14. Income Taxes

The Organization is a nonprofit organization exempt from federal income taxes on income other than net unrelated business income under Section 501(c)(3) of the IRC. No provision for federal or state income taxes is required for the year ended September 30, 2017, as the Organization had no taxable net unrelated business income.

The Organization follows the authoritative guidance relating to accounting for uncertainty in income taxes included in Financial Accounting Standards Board Accounting Standards Codification Topic 740 *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's consolidated financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Organization performed an evaluation of uncertainty in income taxes for the year ended September 30, 2017, and determined that there were no matters that would require recognition in the consolidated financial statements or that may have any effect on its tax-exempt status. As of September 30, 2017, the statute of limitations for tax years ended September 30, 2014, through September 30, 2016, remains open with the U.S. federal jurisdiction or the various states and local jurisdictions in which the Organization files tax returns. It is the Organization's policy to recognize interest and/or penalties related to uncertainty in income taxes, if any, in income tax expense.

15. Prior Year Summarized Financial Information

The accompanying consolidated financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended September 30, 2016, from which the summarized information was derived.

16. Subsequent Events

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through March 29, 2018, the date the consolidated financial statements were available to be issued. Other than the change in coverage level for the self-insured health plan and the planned change for the employer contribution to the retirement plan as disclosed in Notes 11 and 12, respectively, there were no subsequent events that require recognition or disclosure in the consolidated financial statements.

**REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the
National Council of Juvenile and Family Court Judges
and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the National Council of Juvenile and Family Court Judges and Affiliates (collectively referred to as the Organization), which comprise the consolidated statement of financial position as of September 30, 2017, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March 29, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the
National Council of Juvenile and Family Court Judges
and Affiliates

Report on Compliance for Each Major Federal Program

We have audited the National Council of Juvenile and Family Court Judges and Affiliates' (collectively referred to as the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2017. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2017.

Continued

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended September 30, 2017**

1. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying schedule of expenditures of federal awards is presented on the accrual basis of accounting. Consequently, amounts are recorded as expenditures when the obligations are incurred.

Cost Principles

Federal expenditures were recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, or Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance). The Organization has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance as the Organization already has a negotiated indirect cost rate with the federal government.

2. Reconciliation of Schedule of Expenditures of Federal Awards to the Consolidated Financial Statements

Federal and state grants and contracts in the accompanying consolidated statement of activities are divided between the following categories:

Federal programs:	
Cost-reimbursable agreements and grants	\$ 10,857,824
State grants and contracts not subject to OMB Uniform Guidance	<u>86,138</u>
Federal and State Grants and Contracts per the Consolidated Statement of Activities	<u>\$ 10,943,962</u>
